## V1

Here we are  
Brought together by the faith we share  
United in the hope we find here  
Here we are

Here we are  
Gathered in this place today  
sensing something new is taking place  
Here we are

## PRE

From nation to nation, we're lifting up the name  
Of the God who has saved us, and set us free  
There's no going back to how it used to be  
Before our hearts found liberty

## CRS

Here we are, one mind and one mission  
To love God and give Him all our praise  
Here we are, to make a decision  
To change, change, change  
Here we are

Here - we - are, we're ready  
Here - we - are, let's go  
Here - we - are  
We're gonna change the world we know, the world we know

## V2

Standing for the weak and oppressed  
Speaking for for voiceless  
Reaching for the lost and hopeless, the hopeless

End

Here we are, here we are, here we are  
Here we are, here we are, here we are, yeah  
Here we are, here we are, here are  
Here we are
